Description

A session on Human Rights was organized by the Forums of Political Science, History, and Sociology on 8th August 2016. The resource person for this session was Dr. Anant Bhatnagar who gave a very lucid and well-researched talk on the contemporary dynamics of Human Rights.

Learning Outcomes

The purpose of the Seminar was to introduce the young students to the various issues related to Human Rights that prevail in society and the possible solutions to them. The students proactively participated in the Seminar and raised their awareness regarding violations of Human rights and related issues. It was a very fruitful discussion which was much appreciated by the participants.

Description

Lyceum – the student forum for the Department of Political Science, History, Sociology organized a Symposium on the Role of Higher Education in combating Extremism on 9th January 2017.

Learning Outcomes

The Symposium was organized to raise the students’ awareness regarding the importance of Higher Education and about how Higher Education can be used as an important tool in combating extremism and in guiding the students the right way. It helped it develop a better perspective about the existing extremism from an interdisciplinary lens and focused upon a solution-oriented approach through higher education.
