Field Trip to Chachiyawas

Venue: RMKM, Chachiyawas

Date: 22nd September, 2017

Time: 9:30 A.M.

Date: 22nd September 2017

Level: Department (Home Science)

Venue: RMKM, Chachiyawas

Title of the event: Field Trip to Chachiyawas

Total No students:40

Description

The visit was organized for the students of Home Science of Sem-III and Sem-V to give the students the exposure of teaching learning methods of Inclusive Education. The students also took their self-made preschool activities with them and presented them before the normal and special children, the activities prepared by the students were also donated to the institution for further use by the children and the institution.

Learning Outcome: To make the students aware about the methods of teaching pedagogies of inclusive education.
