MINUTES

1. The minutes of the previous meeting were read, confirmed and recorded.
2. The Dean Research Prof. Monika Kannan opened the meeting by outlining the primary objectives of the upcoming research seminar. The seminar aims to provide a platform for students and faculty to present their research findings, facilitate knowledge exchange, and encourage collaboration across disciplines. The committee members discussed the modalities and functional aspects of this research activity. This activity is scheduled on 6th March, 2024. A team of faculty members was constituted to prepare students for the preparation of their research papers and presentations.
3. The committee discussed the evaluation criteria for the research projects, focusing on the relevance and significance of the research topic, feasibility and methodology of the project, expected impact and contribution to the institution's research goals, budget justification and resource allocation.

- The members scrutinized and finalized the grant of research incentives to the Staff members on account of their research activities, participation in seminars and publications. The committee members reached on the consensus to grant 25,000/- + 5% overhead expenses to each selected project. Total 08 research proposals were selected. The Dean Research informed the members that this session an amount of 2,00,000/- is being sanctioned as research incentive to the Staff members.

As there was no other matter to be discussed the meeting ended with a vote of thanks to the members.
