

SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER

SESSION 2023-24

Criterion 7: Institutional Values and Best Practices

7.1.6 Quality audits on environment and energy undertaken by the institution:

+ Environmental Promotional Activities

Tree Plantation Drive

Date: 27th July 2023

The objective of this event was to create awareness to protect ecosystem by planting trees. Plantation is a vital activity that plays a pivotal role in environmental conservation and sustainable development. The initiative aimed to contribute to various ecological, social, and economic benefits by planting a significant number of trees in the designated area. The primary objective of the tree plantation initiative was to enhance the local environment, promote biodiversity, mitigate climate change, and engage the community in a collective effort towards a greener and healthier ecosystem.

✚ Wildlife Week Celebration

Date: 5th & 6th October 2023

Activities Organized: Stone Painting Competition

Speech Competition

Sparrow house making Competition

Guest Lecture

Quiz

To focus the attention of youth towards the importance of conservation of the wildlife, Sophia Girls' College, Ajmer, organized the Wildlife week celebration from 5th & 6th October 2023. Various competitions like Stone painting, speech, sparrow house making, and Quiz on wildlife were conducted for students. The main aim of the wildlife week celebration was to raise awareness and promote conservation efforts related wildlife and their habitats. A guest lecture was also organized on the topic Reptiles on basis of Snakes. The guest lecture was highly informative and engaging. The session facilitated a deeper understanding of the topic and allowed the participants to clarify any doubts they had.

✚ A Short Video Making Competition

Date: 11/10/2023

A Sort Video Making Competition of Campus plants was organized on 11th Oct. 2023 for the students of B.Sc. Bio. This activity will be an opportunity for the students for experiential learning, development of creative skills and promotion of interest in plant sciences. The students will be able to identify the plants and comprehend their economic & ecological significance.

✚ Screening of a Documentary ‘Secret Nature: Flower Power’

Date: 15th March 2024

A Documentary, ‘Secret Nature: Flower Power’ was screened on 15th March 2024 for the students of B.Sc. Bio with an objective of elevating the interest and understanding of students in plant sciences. It will enable the students to assess the role of insects as pollinating agents and analyse the adaptations in different insectivorous plants to capture insects for their nutrition.
