Environment and Energy Audit

SESSION -2023-2024

This is to certify that ***Sophia Girls' College (Autonomous), Ajmer*** has proven to have maintained the proper standards of ecological wellbeing and biota conservation in the Environmental and Energy Audit Green.

This audit included thorough analysis of various facets of ecological policy of the institution, including Flora, Fauna, Energy Resources & Consumption, Water Resources, and factors contributing to Carbon Footprints. A brief report on environmental promotional activities of the College is also attached herewith. I'd like to forward my best wishes and blessings to this establishment for their future endeavors.
