Environment and Energy Audit

SESSION -2022-2023

This is to certify that Sophia Girls' College (Autonomous), Ajmer has proven to have maintained the proper standards of ecological wellbeing and biota conservation in the Environmental and Energy Audit Green.

This audit included thorough analysis of all the facets of ecological policy of the institution, including Flora, Fauna, Energy Consumption, Solid and Liquid Waste and factors contributing to Carbon Footprints. This examination concluded in the formulation of an effective policy that is bound to expand the College's role as a guardian of Mother Earth. I'd like to forward my best wishes and blessings to this establishment for their future endeavors.
